### AOS BIKE RIDE May 26 & 27, 2018

We welcome the 5th annual Art Of Survival Century Bicycle Ride! On Saturday, May 26, 2018, all rides, except the Mountain Bike Ride, will start and finish at the Tulelake-Butte Valley Fairgrounds. This year there will also be a “Gravel Grinder” mix ride through beautiful Butte Valley on Sunday, May 27, 2018. All rides will start and finish at the Butte Valley Community Center in Dorris, CA.

If you would like to be a sponsor for this great community building event, please contact Linda Woodley at 541-281-5117 or Steve Kandra at 541-892-6433. You can find a lot more good information about this event on their website at [www.survivalcentury.com](http://www.survivalcentury.com)

### NEW HOME OWNERS

The City of Tulelake provides water, sewer and garbage service to all residents. If you are a new home owner you **must** apply for these services before water will be turned on or garbage will be collected. Even if you are not living there, you are still liable for the sewer fees because your home is connected to the city sewer lines. Fees will be assessed from the date escrow closed on the home or if you are doing an owner carry purchase, the day you took possession of the home. Please stop by City Hall at 591 Main Street to fill out your application.

### LOCAL RABIES CONTROL AND DOG LICENSES

The California Department of Public Health declared all 58 counties in California as “rabies areas” for 2017 due to the continued detection of rabies virus in wildlife and the threat posed to domestic pets, livestock and humans.

The city has an Ordinance in place (No. 6.04.020) that requires all residents, with an animal over eight months old, to obtain a license. California rabies control laws are requiring that the owner of every dog four months of age and older must ensure that his/her dog is vaccinated for rabies and licensed.

Starting July 1, 2018, ALL residents within the city limits MUST have a license for their pet, which requires proof of vaccination for rabies.

Dog License Fees (per dog) are as follows:

- \$12.00 Male or Female Dog
- \$7.00 Any Altered Male or Female Dog
- \$5.00 If Applicant is 60 years of age or older.

PLEASE KEEP YOUR PET ON A LEASH!

### CITY WIDE CLEAN UP DAY

April 21, 2018

The 2nd annual clean-up day has been scheduled for Saturday, April 21st. This event was inspired by our Tulelake Revitalization Committee and with help from the City, it is happening again!

The City will have some large roll-off bins for household type garbage and a large bin for any metals, located by the Jolly Kone. You can bring your unwanted items to the bins from 7:00am to 3:30pm.

Not everything will be accepted at the roll-off bins. Things like electronic waste, tires with **no** rims and paint cans **with** lids must be taken to the Transfer Station.

The Transfer Station will be offering free dumping from 8:00am until 4:00pm to all Siskiyou County residents. Unacceptable and hazardous items will not be accepted.

HAPPY CLEANING!

**TULELAKE LIBRARY NEWS**

The library has another exciting new service to offer! If you are looking for a particular book and the library doesn't have a copy in their system, we will order it for you from Amazon, if it meets specific guidelines. It will be mailed directly to you, 2 day shipping, with a note asking you to bring the book into our local library branch when you are finished with it. The new book can then be added to the catalog for others to enjoy! You can order one book or one book-on-CD at a time, with a value up to \$35. What a great way to get to read the book you have been wanting to read! If you have any questions, please stop by the library and we will be happy to help you! See our hours below.

<b>LIBRARY HOURS:</b>	
Monday	12:00 pm to 5:00 pm
Tuesday	12:00 pm to 5:00 pm

**COUNCIL MEMBERS CORNER**

Here we are again, time for another newsletter and with it, our getting closer to spring and the activities that it brings. We still have a chance for some snow and wet weather though, and before we break out the warm weather clothes and put the winter clothes away, we will be hoping and praying for more snow and rain to fall on our Basin. We desperately need the moisture this year!

For those folks that are anxious to get going on your yard clean-up, the Burn Pit will open again for the season on March 16, 2018. We ask that everyone pitch in to clean up their neighborhoods and city. To help you with that task we will be holding our second annual Community Clean-up Day. Last year's event was a great success!

I would like to mention our Tulelake Schools and students, whom I think are often taken for granted or overlooked. Our schools and teachers, along with staff do a pretty terrific job of educating our kids. The effort and dedication by the kids, whether it be in sports, clubs, or other school activities is really encouraging. Their participation is a learning experience for them and they are learning how to become contributing members of our community. I think we are in good hands! Please remember that these kids are our future so when they come around selling raffle tickets, candy, candles, meals or whatever, be generous! They are trying to earn money for student trips, uniforms or other activities that are not paid by the District. -Hank Ebinger
